

Does the European Commission impose anti-dumping duties on e-bikes from China?

The European Commission has published two Regulations extending anti-dumping and countervailing duties on imports of electric bicycles (e-bikes) from China for another five years. Today, the European Commission imposed definitive anti-dumping duties on imports of the sweetener erythritol from China.

What are anti-dumping measures?

Anti-dumping measures counter dumping practices occurring when non-EU manufacturers sell their goods in the EU below the normal value (usually the sales price) on their domestic market. A non-EU company is 'dumping' if it exports a product to the EU at a price lower than the product's normal value.

Can anti-dumping measures be put on imports of specific products?

Anti-dumping measures can be put on imports of specific products if the Commission's anti-dumping investigation justifies it. These measures are usually in the form of an 'ad valorem' duty. Other measures that can be applied include a fixed or specific amount of duty or, in some cases, a minimum import price.

Is there an anti-dumping duty on aluminium flatrolled products?

(65) Ibid, recital (738). (66) Such as in Regulation (EU) 2020/1336, recitals 618-628; Section 2.2.2 to Commission Implementing Regulation (EU) 2021/1784 of 8 October 2021 imposing a definitive anti-dumping duty on imports of aluminium flatrolled products originating in the People's Republic of China (OJ L 359, 11.10.2021, p. 6).

What is anti-dumping duty & how does it work?

Find the most recently applied anti-dumping duty measures. Anti-dumping duty is an import duty charged in addition to normal Customs Duty and applies across the UK and the whole EU. It allows the UK and EU to take action against goods sold at less than their normal value, defined as the price for 'like goods' sold in the exporter's home market.

Why did the European Commission impose anti-dumping duties on PVC?

The measures were taken to ensure a level playing field for EU industry, which was threatened with definitive closure. Today, the European Commission imposed definitive anti-dumping duties on imports of polyvinyl chloride (PVC) from Egypt and the USA.

Anti-dumping measures. Anti-dumping measures can be put on imports of specific products if the Commission's anti-dumping investigation justifies it. These measures are usually in the form of an "ad valorem" duty. Other measures that can be applied include a fixed or specific amount of duty or, in some cases, a minimum import price.
