

Good morning all, Just doing some pre-planning for sale of our house. We have solar panels fitted, they were in place when we purchased the property. We were informed during our purchase from our solicitor that the previous vendors didn't seek consent re: restrictive covenant but also said that it was a grey area as the covenant refers to structures and it isn't ...

The solar photovoltaic (pv) or better known as a solar panel must not protrude more than 20cm or 0.2m beyond the plane of the wall or roof slope. On flat roofs these can protrude by 60cm or 0.6m. This would apply to solar panel roof tiles as well as the larger solar panels.

Solar panels are not currently mandatory on new builds in the UK. Solar PV can help new homes achieve a better rating in their EPC rating. National energy policy for built environment is currently under consultation. ...
