

How long is the warranty period for the original battery

How long is a car battery warranty?

Most manufacturers offer a warranty of around 36 months as standard. Some high-performance batteries may provide warranties extending to 60 months or more. Car battery warranties often vary based on the type of battery. For instance, traditional lead-acid batteries usually come with a warranty of three years.

Do extended warranties cover car batteries?

Car batteries are typically considered "wear and tear" items. This means extended warranties often do not cover them. However, most car batteries include a manufacturer's warranty that protects against defects for a certain period. Always review the warranty terms to understand the specific coverage details before buying a car battery.

How do I know if my car battery warranty is still active?

You can determine if your car battery warranty is still active by checking the warranty period, reviewing your purchase receipt, and contacting the manufacturer or retailer. **Warranty Period:** Most car battery warranties last between 1 to 3 years. Check your warranty documentation for specific terms.

How does a car battery warranty work?

Pro-Rated Warranty: After the free replacement period, a pro-rated warranty kicks in. Here, you'll get a partial refund or credit towards a new battery based on how long the original battery lasted. With a car battery warranty, you won't have to worry about unexpected battery failures.

Where can I find my car battery warranty details?

You can locate your car battery warranty details in several places. First, check the warranty documentation that came with your car or battery. This paperwork typically includes specific information about coverage duration and conditions. Next, look for receipts or invoices from your battery purchase.

How long does a battery guarantee last?

Depending on the battery you've bought, it'll have a guarantee period of 3, 4 or 5 years. Have a look at the label on your new battery to find out how long your battery's guarantee is. Your battery guarantee isn't transferable between vehicles. How does the guarantee work?
