

How do you get access to solar panels?

Access to solar panels is the reward of a special order called "Island Ingredients." As the name implies, this special order will only appear after you've fixed Willy's boat and visited Ginger Island at least once. For this order, Caroline asks you to flood the market by shipping (through a shipping crate) 100 of an island crop.

How do I get a recipe for solar panels?

To get the recipe for solar panels, you will need to complete Caroline's special order called Island Ingredients. Special orders can be accepted from the board located directly in front of the Mayor's house, starting on Fall 2 of your first year. Each week, this board will display two special orders that you can accept.

How does a solar panel work?

Slowly generates batteries when left in the sun. The Solar Panel is a piece of Refining Equipment that generates 1 Battery Pack the morning after 7 sunny days when placed outdoors (including the day it was placed). The player receives the recipe after completing Caroline's Special Order "Island Ingredients".

What is a solar panel?

The Solar Panel is a piece of Refining Equipment that generates 1 Battery Pack the morning after 7 sunny days when placed outdoors (including the day it was placed). The player receives the recipe after completing Caroline's Special Order "Island Ingredients".

How do you make a solar panel?

To make the solar panel, you will need the following materials. Solar panels are similar to lightning rods. Both pieces of equipment will produce battery packs depending on the weather. Rather than producing battery packs after a storm, a solar panel will produce a battery pack after seven days of sunshine.

Can solar panels be placed down in Stardew Valley?

The solar panel counts sunny days based on the location it is placed. Thus, a solar panel placed down on Ginger Island will not be affected by rain in Stardew Valley, and vice versa. Arguably the best location to place solar panels is the Calico Desert due to the desert having its own weather (always sunny).
