

Shenzhen SmarTec Technology Co., Ltd. Founded in 2007, is a high-tech production-oriented enterprise. We develop and manufacture a total solution of standard battery protection board(PCM/BMS), Smart battery management ...

Our products cover 3-28 series, 10-300A output current protection plate, which contains software edition and intelligent communication board, suitable for 12-96V ternary lithium and lithium iron ...

2S 3A Li-ion Lithium Battery 7.4V 8.4V 18650 Charger Protection Board Module is a small PCB mounted Li-ion Lithium Battery charger protection module. This small and smart battery charger protection module comes with various features like Short circuit protection, Overcharge protection, Over-discharge protection, Overcurrent protection. It is very easy to install and convenient to use

Our Lithium Battery Protection Board is a cutting-edge solution designed to maximize the safety and performance of lithium batteries. Lithium batteries are known for their high energy density, making them ideal for numerous ...

The lithium battery protection board is to protect the lithium battery. The lithium battery protection board has four major functions: overcharge, overdischarge, overcurrent, and reverse connection protection. ... Battery Managemnet System Manufacturer Factory in China Tel: 86-755-81489958 Mobile phone: +86-13823387363 (Mr.Ethan) Email: ...

3S 12V 25A 18650 Lithium Battery Protection Board 11.1V 12.6V High Current With Balanced Circuit Over Charge Over-Discharge Over Current And Short Circuit Protection Function. Board charging and discharging are the same ...

The 4S 14.8V 10A 18650 Lithium Battery Protection Board can be used to protect a battery from overcharging, discharging, short circuit and overcurrent. Specification: o Charging Voltage: ...

We develop and manufacture a total solution of standard battery protection board (PCM/BMS), Smart battery management system (BMS), and ...

The popularity of lithium-ion batteries has led many people to choose lithium batteries. However, the use of lithium batteries can not be separated from a suitable battery management system, to choose the right lithium battery protection board, one must remember the following points. Confirm the voltage value

The lithium battery protection board is a core component of the intelligent management system for lithium-ion batteries. Tel: +8618665816616; Whatsapp/Skype: +8618665816616; Email: sales@ufinebattery ; English ...

Factory 1s 3.7V 18650 Battery BMS for Lithium Battery Protection Board, Find Details and Price about Polymer BMS Lithium Ion BMS from Factory 1s 3.7V 18650 Battery BMS for Lithium Battery Protection Board - Shenzhen Li-ion ...
