Does givenenergy come with a 12 year warranty?

We've recently announced some game-changing news: all GivEnergy residential battery storage systems fitted as of 11/09/2023 will come with an industry-leading 12 year warranty. You'll no doubt have questions about the finer details of this new policy change. So, we've put together a handy FAQ to answer those questions for you.

What is a battery pack warranty?

In the event energy throughput into (or from) the Battery Pack flows to a 3rd party or whereby such energy is activated or controlled by a 3rd party, the Battery Pack warranty will be limited to 'Fair Usage' levels equal to 10,000 cycles for consumption purposes only at the installed premises.

What does givenenergy warranty cover?

The new 12 year warranty covers: In a nutshell, the warranty covers any GivEnergy residential battery storage system installed from 11/09/2023 - no matter which specific battery and inverter model are fitted. What products does the warranty not cover? Different warranties apply for:

When does a warranty apply?

Warranties apply once the system has been fully commissioned. (I.e., not purchased, not installed, but commissioned.) So, commissioning photos should be sent through, accounts created, etc. Please note: every system must be commissioned within 30 days of installation.

Is the givenenergy extended warranty obsolete?

The GivEnergy extended warranty is now obsolete for all new systems commissioned from today. (All existing extended warranties will of course be honoured.) Plus, in line with this transformation, a new RMA process will be announced shortly. We're 100% committed to quality, durability, and satisfaction.
