

Does rapoo save battery?

Rapoo products have a power-saving function to maximize battery life. You do not have to turn the mouse/keyboard off every time you stop using it. When the product is not moving or there is no signal from the USB receiver, it will automatically turn sleep-mode on to save battery power.

How long can you use rapoo without a battery?

So small and unobtrusive, you can plug it into a USB-port and forget about it. No more worries about lost receivers. Thanks to Rapoo's energy-saving technologies, combined with the on/off switch, you can use this set without replacing batteries for up to 12 months.

Can rapoo vt950 be used in wireless mode?

VT950 can be uniquely used in both wired and wireless mode via Rapoo's reliable 2.4 GHz wireless technology. The mouse also features a built-in rechargeable battery so that using the mouse in the wireless mode is even easier.

Does rapoo offer a warranty?

Rapoo offers a warranty to the original purchaser from an authorized retailer. Your Rapoo product is covered against manufacturing defects under the terms and conditions of this warranty for a period of 2 years from the date of the original purchase if purchased from an official retailer. Where can I find the product serial number?
